FASHION TRENDS

Un mondo di idee originali: ispirazioni che provengono da un prato, un tramonto, o ancora dal corpo umano...

Accessori e pattern stravaganti rendono le borse e le scarpe un oggetto unico.

I colori si presentano a volte neutri e delicati, in altre pagine molto brillanti e contrastati.

Ogni dettaglio esce fuori dagli schemi, stimolando la fantasia.

A world full of original ideas: imagination comes from a field of grass, a sunset, or the human body...

Bizarre accessories and patterns transform a shoe or a bag in a special piece.

The colors are at times delicate and neutral, in other pages bright and contrasting.

Every detail is unusual and eccentric, stimulating the creativity.
