Simone Designer

Simone Designer is an Italian design studio with many years of experience in the shoe business.

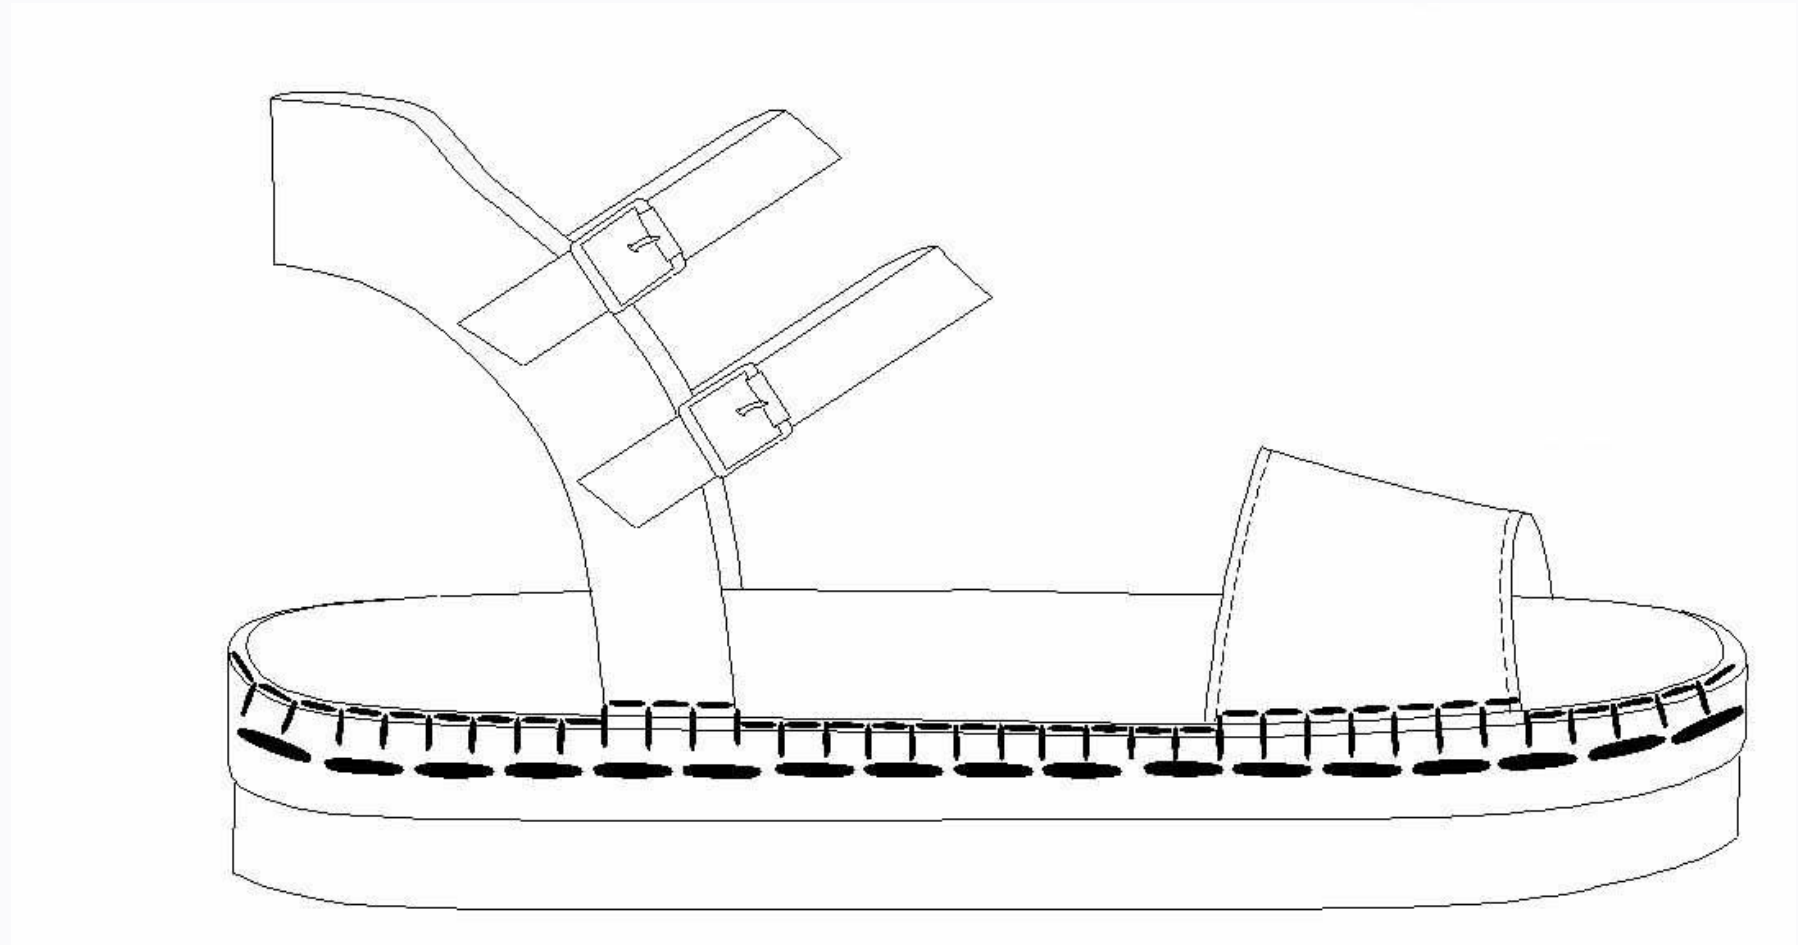

Simone Designer offers to its national and international customers a wide range of services, customizable to specific needs. From an idea/sketch or a market trends analysis, to a final sample or a set-up of a complete collection.

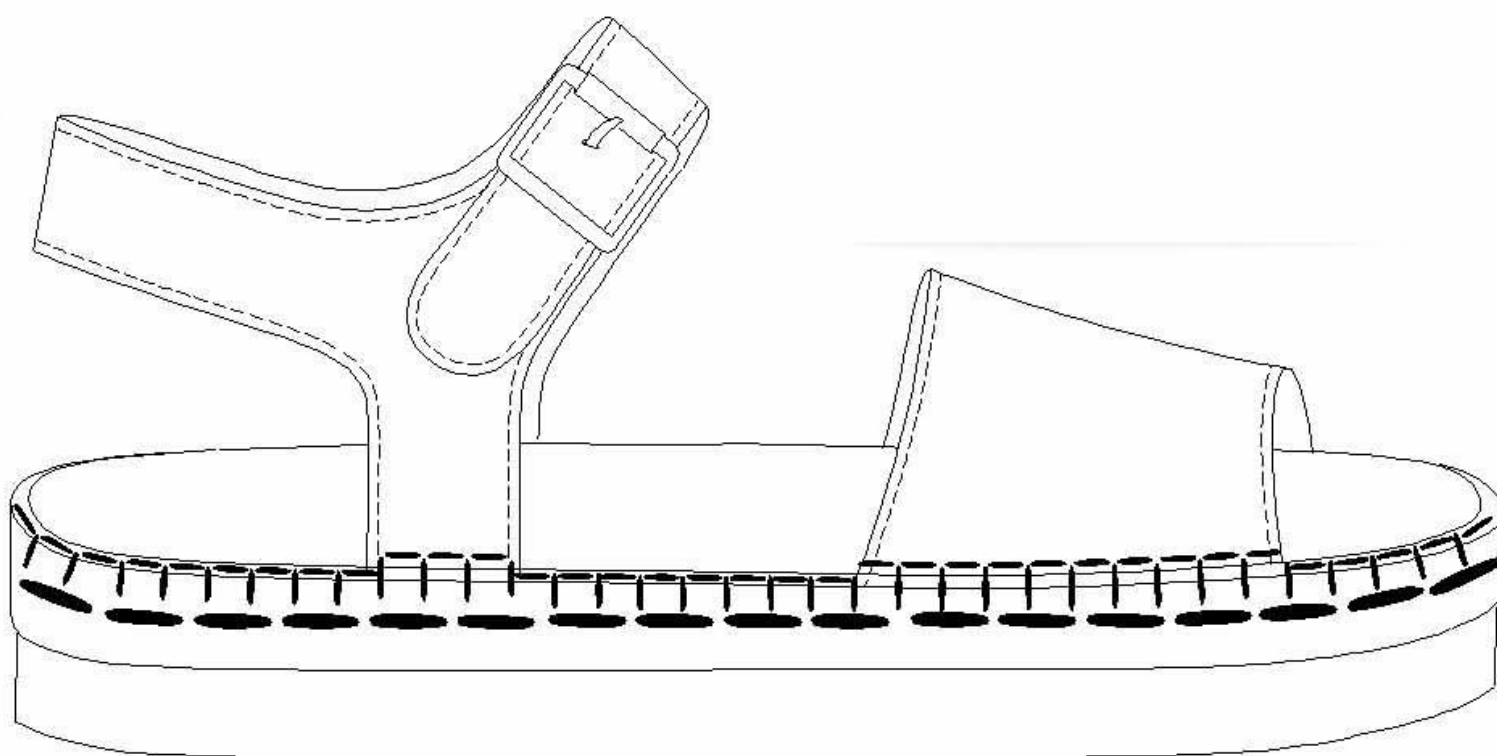

We have two permanent showroom weekly updated, with over 1.000 different footwear prototypes available for lady and man.

In addition to our existing collections, we also make completely customized and exclusive projects on demand.

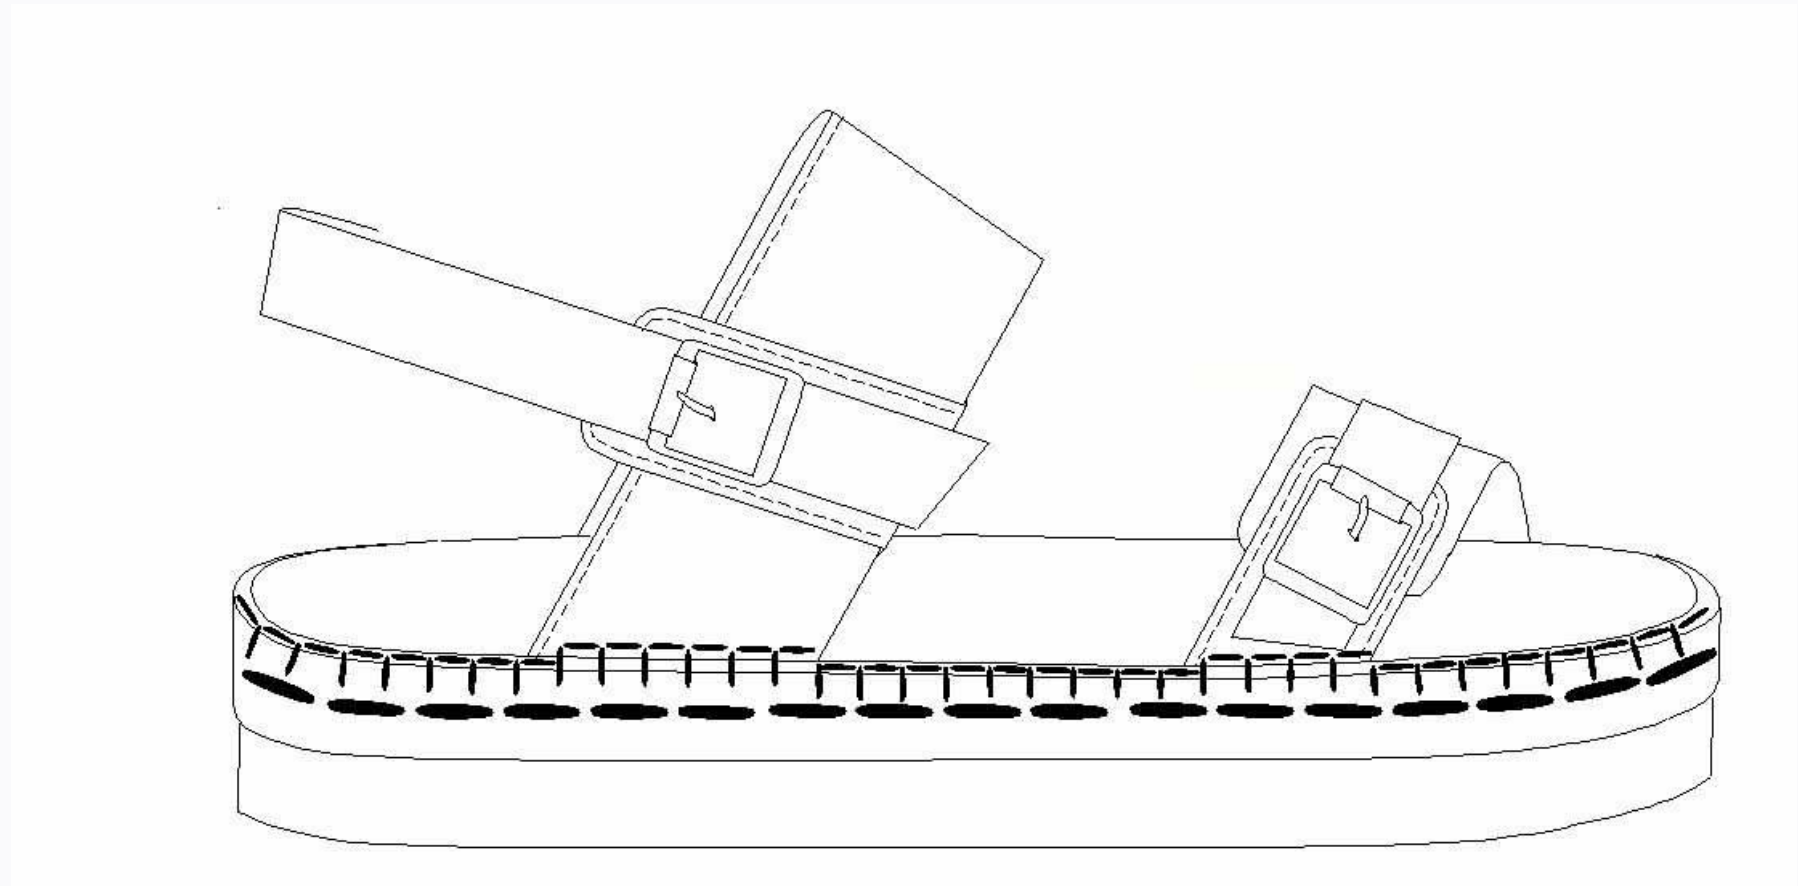

**We at Shoestosee can provide to you new projects.
Send us a mail with your requests.**
