

RETRO DESIGN

Tara_Designer

Spring/Summer 2019

Book N° 1

Tara_Designer

Finding the right balance between creativity, professional knowledge and instinct for details.

I've been working in the shoes world for more than twenty years. First, in a small artisanal Italian factory and then – for thirteen years – in a European multinational.

I mainly work for a casual/trendy/feminine woman's style. While, the target price is mid-range.

**We at Shoestosee can provide to you new projects.
Send us a mail with your requests.**
