AM DESIGNER

Fall/Winter 2021/2022

Book N° 2

AM Designer

Since 1996, I have gained significant experience as a designer of men's/women's footwear and men's/women's leather goods.

I developed a high technical knowledge, ranging from materials to components.

I worked as a technician\pattern maker, as a stylist and as the head of Italian and foreign samples.

While collaborating as a freelance designer with medium-high target companies and style offices.

**We at Shoestosee can provide to you new projects.
Send us a mail with your requests.**
